## Tutoring Experience

With over 12 years of teaching experience, I have guided hundreds of students through the complexities of Psychology, Sociology, and Business Management at various levels, including IB, AP, A-Level, and IGCSE. My academic background is complemented by my practical experience in educational consultancy, where I've helped schools design curricula that integrate the latest psychological and sociological research. I believe in a student-centered approach, tailoring my teaching strategies to suit individual learning styles. My sessions are interactive and engaging, focusing on critical thinking and real-world applications. I also offer extensive support for exam preparation, coursework, and research projects, helping students achieve top grades and gain admission to prestigious universities. In addition to one-on-one tutoring, I've conducted workshops and seminars on effective study techniques and exam strategies, ensuring my students are well-prepared for academic success.
