 **Qualified IB Tutor | Master's Degree in Clinical Psychology**

I'm a passionate psychology tutor with over a decade of experience, based in Belgium. Holding a Master's degree in Clinical Psychology, I specialise in IB and IGCSE levels. I focus on fostering a deep understanding of psychological concepts, ensuring that my students excel both academically and in their understanding of human behaviour.

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

I have been tutoring psychology for the past 11 years, working with students across IB and IGCSE levels. My approach is student-centered, aiming to make complex psychological theories accessible and relatable. I've also served as an IB examiner, which gives me unique insights into how to guide students toward achieving high scores in their assessments. My sessions are interactive, tailored, and results-driven.
